## Our Courses

Our Arabic program is designed in three main levels: A, B, and C. Each level is divided into three stages, helping you gradually build your skills. As you progress, you'll gain confidence and fluency step by step.

### Level A - Beginner

After this level the student will be able to read and write basic Arabic, introduce themselves, and hold simple conversations.

The student in this level will have to go through three stages; A1, A2 & A3.

[Read More](#)

### Level B - Intermediate

After this level the student will be able to communicate in daily situations, understand simple written materials, and express themselves with confidence.

The student in this level will have to go through three stages; B1, B2 & B3.

[Read More](#)

### Level C - Advanced

After this level the student will be able to use Arabic confidently in academic, professional, and social settings; reaching full fluency and cultural connection.

The student in this level will have to go through three stages; C1, C2 & C3.
